1. The above results were reviewed by the Audit Committee and approved by the Board of Directors at their board meeting held on August 13, 2021 and have been subjected to a "Limited Review" by the statutory auditor.

In the absence of sufficient information, the Company is unable to determine the fair value of its investment in equity shares of Summervilla Trading & Agencies Pvt. Ltd. (STAPL) as at June 30, 2021 having cost of Rs. 20 thousands, which was fully impaired in the financial year 2018-19. Since the book value of STAPL as per its audited standalone financial statements for the year 2019-20 is in negative, in view of the management, there is not likely to be any material impact on the financials of the Company.

Figures of the previous period are regrouped or re-arranged, wherever necessary. The figures for the quarter ended 31 March 2021 are the balancing figures between the audited figures in respect of the full previous financial year 2020 21 and the published unaudited year to date figures upto the period ended December 31, 2020 which were subjected to limited review.
